

# DECADE IN THE MAKING!

Leaping from the pages of *Kung Fu Magazine*! The classic comic-strip jumps off those black and white pages and onto bookshelves this Chinese New Year of the Tiger!

Featuring digitally remastered and colored artwork, glossary and back matter; this graphic novel is created by **Monkeyshines** cover artist **PLUGO!** Created in the grand tradition of *A Journey to the West*, *Usagi Yojimbo*, and *Avatar: The Last Airbender*.

imagine the *Tao Te Ching* meets *The Jungle Book*

All Kan ever wanted was to live in his forest as a tiger should. But when his mother adopted two human foundlings, Kan's jealousy cost him his family and home. Exiled, Kan blames humans for his troubles. If he's to make a home for himself in that distant forest he once called home, then he and his brothers must journey beyond the mundane world and into the realm of myths, monsters and Dragons.
